

Sunday Suppah

Hannah Cermack

I designed this book at my home in Wyckoff, New Jersey. All of the recipes inside are original recipes by my mom. My siblings and I have been asking my mom for years how she makes all her dishes and it wasn't until recently that we thought it was time all the recipes get put into one place. Cooking is a huge part of our lives and this class gave me the opportunity to document the beauty of my mom's food. This book is just the beginning and I hope that through this project more ideas are sparked and more original cookbooks are created.
